DOWRY FOCUS WORKSHOP

Dowry leads to Domestic Abuse and Exploitation

Dowry Abuse in Australia

2014 ICSA launched a campaign to ban Dowry in Australia, by 2018, a Senate Enquiry looked at dowry abuse in Australia. While a ban has not been achieved, the issue is more acknowledged and getting better understood.

This workshop will cover the basic elements of dowry & dowry abuse, review the Senate Enquiry and look at the twelve recommendations, with a view to seeing four key ones implemented.

The workshop will establish how the group can stay in touch and be updated on the issues and become a reliable source of real data in supporting the implementation of the recommendations.

INVITATION
